- Summary: An app that displays the current and future weather conditions for a specific city searched by the user.
- Role: Sole author
- Tools: HTML, CSS, JavaScript, Bootstrap, jQuery, Font Awesome, Moment.js API, OpenWeather API

EXPERIENCE

Hello Psychaleppo

2012-Present

Music Producer, Composer, Sound Designer

Self-Employed

Internationally celebrated music producer and pioneer of the music genre 'Electro-tarab', electronic dance music rooted in Arabic music theory.

- Composed, arranged and produced three original full-length albums ([Gool L'ah](#) , [HA!](#) and [Toyour](#)) several EPs, single releases, and collaborations.
- Programmed audio and midi signals to synchronize and react with 2d and 3D visuals for a seamless and interactive audio and visual live experience.
- Composed scores and sound design for feature films (Listen, Houses Without Doors), plays (While I was Waiting, Epiphany) and advertisements (MSF sorry I drowned, Middle East Airlines safety video, McDonalds Hakawati Arabia, and more.)
- Performed at festivals and venues across North America, Europe and the Middle East, such as Roskilde, Trans Musicales, Morgenland, Oslo World, Fusion, and more.
- Featured in VICE, MPR, PRI, BBC, The Guardian, CNN, MTV IGGY, Tracks, Monte Carlo and more.

Visual Artist

2010-present

Painter, Illustrator, Animator, Designer

Self-Employed

- Abstract expressionist painter known for colorful, bold figures with solo and collective exhibitions in the Middle East, Europe and North America. Two paintings selected to Syria's Ministry of Culture's permanent collection.
- Animated and directed 2D and 3D music videos and short films with international premiers.
- Illustrated and designed posters, music album covers, logos, websites and more.
- Created and programmed 2D and 3D visuals for VJing.

EDUCATION

Certificate, Full Stack Web Development – University of Minnesota

Minneapolis, MN

Bachelor of Arts, Painting – University of Aleppo

Aleppo, Syria
